Dear [REDACTED]

My heartiest congratulations on your selection to attend the 1973-74 Resident Course at the Industrial College of the Armed Forces. We will do all we can to make your experience here challenging, interesting, and rewarding.

The College Secretary will provide you with detailed information about the College and our program of studies by separate letter. We look forward to having you with us and wish you every success during the course of your studies with us.

Sincerely yours,
